21 May 1987

MEMORANDUM FOR: Acting Director of Central Intelligence

FROM: William F. Donnelly
Deputy Director for Administration

SUBJECT: Weekly Report for Period Ending 21 May 1987

25X1

3. To prepare for upcoming negotiations with Cray Research, Inc., for the acquisition of a Cray XMP/22 computer system, Office of Logistics (OL) representatives toured the David Taylor Navy Ship Research Development Center, which recently installed a Cray XMP/22 system.

25X1

4. On 28 May OL will begin moving the Office of Development and Engineering (OD&E)

5. The Office of Training and Education (OTE) has prepared the first issue of a monthly newsletter from the Soviet Realities Institute. The newsletter highlights coming events of the Institute and related programs in the metropolitan area. Future issues will include bibliographies on selected subjects.

25X1

6. OTE's Language Training Division hosted a lecture by Emery Simon, a US-Japanese trade expert from the Office of the US Trade Representative, on US trade with Japan. OTE arranged the session in response to a suggestion from

7. Robert Kohler, President of ESL and former Director of our OD&E, will give his views on executive leadership in the corporate world at the Executive Seminar on 3 June.

8. The Office of Personnel hosted the second in the series of financial planning seminars, "Managing Debt Load," on 6 May. The seminar addressed the use of credit cards, the importance of credit ratings, types of assistance available for those suffering from severe financial difficulty, and how credit laws relate to the consumer.
